

# MOLYSULF®

## MRO | CLEANERS / DEGREASERS, INDUSTRIAL STRENGTH

### Environmentally and user safe, non toxic, industrial strength cleaners / degreasers for the toughest cleaning applications

ASV range of cleaning and degreasing products comprise heavy duty grades formulated with environmentally safe ingredients free from harmful chlorinated solvents, CFCs and ODCs, as well as readily biodegradable cleaning formulations.

They are formulated to rapidly clean contaminants as grease, oil, sludge, dirt, dust and impossible or difficult to remove varnish or bituminous residues.

ASV cleaners / degreasers are highly suitable and recommended replacements for products used as petrol, diesel, kerosene and CTC that are hazardous to worker health and plant safety.

#### Benefits

- Non corrosive, non conductive and non staining
- Removes tar, adhesives and other tough contaminants
- Leave no residue
- Safe on metals
- Fast penetrating and superior wetting action

#### Applications

- For heavy duty cleaning / degreasing applications of metal surfaces and all mechanical equipment as chains, gears, bearings, clutches, generators, hand tools, molds, dies, slides, pumps, forklifts, valves, nuts & bolts, pipes, power tools.
- Safe for use on all metal surfaces, glass, most plastics and ceramics.

Product	Key Features	Property	Packaging
<b>CS 50</b> Cleaner / Degreaser Safe Solvent	<ul style="list-style-type: none"> <li>• Fast evaporating, fast drying, non flammable, non residue, on line, heavy duty, high dielectric strength cleaner for penetrating and removing moisture, carbon, grease, oil and other contaminants.</li> <li>• Non staining, non corrosive &amp; safe on all metals.</li> </ul>	Color: clear, colorless Odor: mild solvent Flash point, °C: none KB value: 133 Evaporation rate: fast Propellant: CO <sub>2</sub>	575 g spray 4 kg 30 kg 290 kg
<b>CS 70</b> Cleaner / Degreaser Bearing Solvent	<ul style="list-style-type: none"> <li>• Non flammable, non residue, fast evaporating, heavy duty cleaner for penetrating and removing moisture, carbon, grease and oil contaminants, wax coatings, corrosion inhibitors etc... from metal surfaces.</li> </ul>	Color: clear, colorless Odor: mild solvent Flash point, °C: none KB value: 130 Evaporation rate: fast Propellant: CO <sub>2</sub>	575 g spray
<b>CS 80</b> Cleaner / Degreaser	<ul style="list-style-type: none"> <li>• Biodegradable &amp; leaves no residue.</li> <li>• For cleaning jobs for removal of stubborn contaminants as grease, oil, dirt, tar, adhesives, bitumen.</li> <li>• Free from any chlorinated solvents or CFCs.</li> <li>• Non staining, non corrosive and suited for degreasing all metal surfaces.</li> </ul>	Color: clear, colorless Odor: citrus Flash point, °C: -17 (aerosol) KB value: 52 Evaporation rate: very slow Propellant: CO <sub>2</sub>	500 ml spray
<b>CS 82</b> Cleaner / Degreaser Universal Grade	<ul style="list-style-type: none"> <li>• Residue free cleaner / degreaser for fast removal of contaminants from metal surfaces.</li> <li>• Rapidly penetrates grease, oil, dirt, dust to clean equipment fast.</li> <li>• Non staining, non corrosive, non conductive.</li> <li>• Free from any chlorinated solvents or CFCs.</li> </ul>	Color: clear, colorless Odor: solvent Flash point, °C: -17 (aerosol) KB value: 52 Evaporation rate: fast Propellant: Non CFC	500 ml spray 5 liters 30 liters
<b>CS 86</b> Cleaner / Degreaser Universal Grade	<ul style="list-style-type: none"> <li>• Residue free cleaner / degreaser for fast removal of contaminants from metal surfaces.</li> <li>• Rapidly penetrates grease, oil, dirt, dust to clean equipment fast and evaporates fast.</li> <li>• Non staining, non corrosive, non conductive.</li> <li>• Free from any chlorinated solvents or CFCs.</li> </ul>	Color: clear, colorless Odor: mild solvent Flash point, °C: -17 (aerosol) KB value: NA Evaporation rate: fast Propellant: Non CFC	450 ml spray
<b>Paint &amp; Gasket Remover</b> Cleaner / Degreaser	<ul style="list-style-type: none"> <li>• Fast acting blend of solvents for removal of paints, gaskets, adhesives, sealants, lacquers and varnishes without excessive scraping or causing damage to surfaces.</li> <li>• Cleans stubborn grease, oil, varnish and carbon deposits.</li> </ul>	Color: milky white Odor: solvent Flash point, °C: -17 (aerosol) KB value: NA Evaporation rate: fast Propellant: Non CFC	580 ml spray
